## A WARM WELCOME TO NEW MEMBERS

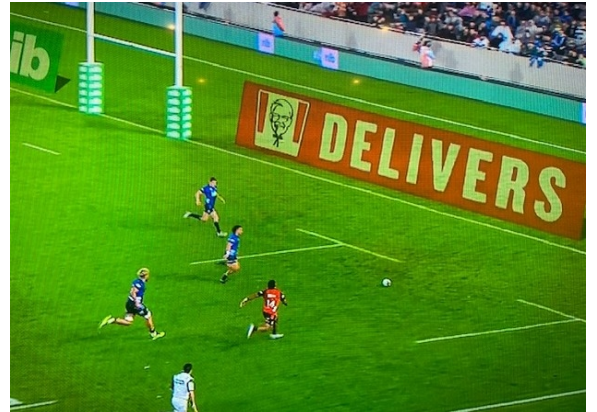

# DAVID'S DIARY

Working outside on a drizzly cold Sunday afternoon, listening to the radio sport talk after the Super Rugby final the night before.

A Blues moment. It was an amazing game. Especially if Canterbury is your home.

and once again, the Colonel delivers. Sevu Reece style.

Then the radio station were talking to Wayne Smith about his new role of coaching the NZ womens rugby team, who were very good not so long ago, but seemed to lose their way more recently, until Wayne Smith arrived. They asked him what he does to build a strong team again and amongst other things, he said that it is very important to know

Who you are

Where you have come from and

What you want to do.

That gives you identity.

We were never taught this stuff 50 years ago, so when I heard that, I would normally have thought, 'yeah right mate' 'whatever' ...

But, it was Wayne Smith.

And he has turned that rugby team around again in his short time with them.

Later when I came inside, I declared to Susanna my new found depth of knowledge, but my moment was short lived as she knew all about it and said that it was from the Māori concept of turangawaewae.

It means 'a place to stand'

Turangawaewae are places where we are empowered and connected. They are our foundation, our place in the world, our home.

So what does this have to do with a car club?

A lot.

It is a group which we identify with, we make connections and thereby find one of 'our places' in the world.

We can have several tarangawaewae, but this is one of them.

So it sounds like its good to identify where they are for us, then we can treasure, nurture and enjoy them.

Pretty deep eh?

Looking forward to seeing everyone on Sunday 3rd July as we celebrate the clubs belated 25th anniversary. There are over 100 coming to enjoy this occasion.

Regards,

David Harman

## REPORT ON THE AGM SUNDAY JUNE 12<sup>TH</sup>

We had a turnout of around 30 people for our AGM at the Kaipoi Club, with all committee members re-elected to office. We would also like to welcome Barbara Hunton onto the committee to assist with the membership database.

Unfortunately after dining at the Club, 22 of our members succumbed to food poisoning. Our secretary Noeline did a sterling job of contacting all those who were present and affected and concluding the salad was the cause of their illness, notified the Kaipoi Club who most apologetic.

## REPORT ON GOLD CARD CRUISERS JUNE 16<sup>TH</sup>

We all met up at the Peg hotel with sunshine and a cool breeze, from there we did a run through Ohoka then around the back of Rangiora to head to Pegasus town and after driving through about eight roundabouts we arrived at the Flat white Café for lunch.

The Café did a special lunch menu for us which was served in a timely manner. PS. For some reason other folk seem to enjoy moving their cows down the same road that I have planned our runs on, not to mention the road cone brigade.... They really should ask me first..

Cheers Kit and Carol
